Michael Mobbs is coming to Shearer's to celebrate the release of the second edition of his groundbreaking work, *Sustainable House*. It's the essential guide to help you achieve an environmentally friendly home. It includes advice on converting your kitchen, bathroom, water supply, energy, waste system and garden, as well as tips for working with councils, builders and engineers, and the costs and benefits associated with making your home sustainable. Find out all the pitfalls, and find out how Michael lives sustainably with success!
